

Storage Guide

When you're putting things in storage:

DO:

Check that the fridge and freezer are completely dry beforehand, otherwise they will grow mould. Make sure your important documentation, such as passports, driver's licences, etc, doesn't get stored away. Keep miscellaneous items, such as screws, keys, hinges, etc together in a clearly-marked bag or container.

DON'T pack:

NO Foodstuffs

NO Flammable
Liquids

NO Animals

NO Plants
